If found violating the College rules and discipline, I shall be debarred from the college and the decision of the college shall be conclusive and final.
3. My admission to the above mentioned course is subject to the Bangalore University. Even if Bangalore University does not approve my admission for want of required certificates to be submitted by me, or if I discontinue the course I fully understand that the fees will not be refunded by AMC as the college has already provided me the seat and (otherwise the seat would have gone to an other deserving student) AMC is not responsible for admission approval by B.U. Fees applicable for my batch is to be paid for the entire course, irrespective of changes for senior & junior batches.
4. I understand that once, I am admitted to the College, I am required to pay the total and full fees for all years (entire course) at the time of admission. Though the college may grant me provisional admission in absence of some of the certificates, if all the requisite certificates are not submitted by me within 15 days of admission, my provisional admission shall automatically get cancelled and I shall not be entitled to any refund of fees paid by me as the college has already provided me a seat. I also understand that all disputes, differences and legal matters are to be settled within the Bangalore Jurisdiction only.
